The 2019 softball season is fast approaching and we are conducting community wide fundraisers in an effort to defray the cost of this year's playing season.

Our organization was created to give the Greater Taunton-area girls the opportunity to play softball at a highly competitive level providing them with national exposure by participating in the national championships held in Virginia, North Carolina, and Ohio. The Dynamites play in the highest levels of "open" and "A" divisions in the ASA, NSA, and PONY softball organizations.

The Dynamites are an "all-volunteer", tax-exempt 501(c) 3 charitable organization (Federal Tax ID #55-0804570). The program consists of five teams in five age brackets ranging from age 8 to 18 years old and includes more than 65 girls from the Greater Taunton area. Each team will be competing in 8 to 12 tournaments throughout New England and the overall cost of providing the girls with the opportunity to play at this level is approximately \$60,000 annually.

Since 2003, we have had four teams finish in the TOP 20 at the PONY National Championships including 2018 where we finished in the TOP 2, as well as twelve State ASA Champions and two State NSA Runners-up titles and several tournament Championships across our age groups. We are asking for assistance from family, friends, and business associates in the form of sponsorships.

Outlined below are your options for providing support.
